Dear Lion Lawrence,

On behalf of the entire Lions Hearing Center organization and our patients, I want to thank you and the Canton Lions Club for your generous donation of \$1000.00. Your support is a major reason that we have been able to expand our services throughout the region.

The Lions Hearing Center of Michigan provided prevention, hearing loss identification and treatment services to over 3,000 individuals this past year. We expanded our Senior Outreach Program to provide services in over 15 cities within Lions Districts 11A-1 and 11A-2. We are proud of what we have been able to accomplish and excited about new ventures and partnerships this year.

Please extend our sincere appreciation to all of your Club members for your support. As always, I welcome the opportunity to visit one of your club meetings at anytime to update you on our different programs and how we are addressing hearing care needs of infants, children, adults and senior citizens throughout the region.

And thank you too for all of the support you give other Charities as well!

Sincerely,

Lion Phil A. Wells
