Dear Canton Lions Club,

Greetings! I am pleased to inform you that your Lions Club will be receiving a donor recognition award from Madonna University during our *Deo Gratias* awards luncheon on December 4th at 1pm in our University Center. Your club has recently received a formal invitation to attend the luncheon. There is no charge to attend the event as we strongly hope that your club will be able to send a representative and guest to this joyous holiday event.

In the event that your club is not able to send a representative to the event, I would be happy to deliver the award to your club personally. If you have any questions, feel free to contact me anytime at (734) 432-5856.

Sincerely,

Lion Dean Adkins
