Dear Canton Lions,

Thank you for your very kind and generous donation of \$500 to Seedlings Braille Books for Children! As you know, our long-term goal is to help raise the literacy rate among children who are blind by providing high-interest, low-cost books in braille. At this time, less than 5% of all print material is ever transcribed into braille, making it difficult for blind children to obtain the materials they need to read and succeed. This is what we are working to change.

---

Every ten dollar donation we receive makes another braille book possible. Since our humble start in my basement over 25 years ago, Seedlings has made and distributed over 323,000 braille books, and our goal for 2011 is to send out 25,000 more!

These books will truly be cherished by the children who receive them. Thank you for helping them to read and succeed!

With deep gratitude,

*Debra J. Bonde*

Thank you for your generosity and for your organization. ♥♥
