Dear Lions,

On behalf of Lions Bear Lake Camp, we would like to thank you for your recent gift of \$500.00 which will enable us to provide exceptional recreational and educational experiences for children with special needs.

Your partnership helps us to serve children, who are blind/visually impaired, and it continues a tradition of (over) 26 years. Bear Lake Camp's services are freely offered to families with visually impaired children, who enjoy a safe, wholesome, and uplifting summer camp experience that teaches them to live more independently and productively.

Lions Bear Lake Camp served around 500 campers in 2011; this group included children who are blind/visually impaired, deaf/hearing impaired, and others, juvenile arthritis, autism and grieving issues.

Bear Lake Camp remains a magical place for children because of generous contributions from our friends and benefactors. Thank you, again, for being a very special friend.

Sincerely,

Christina Wills
Office Manager
