Canton, MI 48187

Dear Fellow Lions:

At Penrickton Center for Blind Children, we believe that children who are blind and multi-disabled, like every child, have a precious right to learn – and that we can and must help them to achieve their full potential in life.

Thank you so much for helping us to fulfill this commitment to the children and families we serve, by sending your very kind and caring gift of \$1,500.00 in support of our specialized services.

In fact, your generosity helps to make possible a truly unique resource of hope and learning here in Michigan - because Penrickton Center is the only child care agency in the state specializing in children who are blind and multi-disabled.

Just as remarkable is the fact that Penrickton Center receives no government funding, nor do we charge families a fee for the services we provide. Instead, all of our programs – whether it's our day care program for younger children or our five-day residential program – are supported entirely by charitable contributions.

That means that you are every bit as important in the lives of the children in our care as our team of specialized therapists and child care workers. With every step they take, with every new accomplishment they receive, with every new discovery of the world around them, you too are there in spirit and support.

Thank you for making such a difference in the lives of all the children here!

Sincerely,

P.S. I am grateful for your help! Best wishes for a Merry Christmas!

Kurt M. Sebaly, M.Ed.
Executive Director

In accordance with IRS requirements for tax deductibility of charitable gifts, this letter affirms that we have not provided you with any goods or services in exchange for your contribution. Please retain this letter for your records.
