Dear Canton Lions Club,

Thank you for your donation of \$1,000.00 which we received on 10/20/2011. Your gift will provide tangible benefits to someone who is blind or visually impaired.

With a trained Leader Dog and Kapten PLUS audible GPS device custom-designed for people who are blind and visually impaired, or with white cane mobility training, he or she will travel with greater independence, dignity, and confidence because of you.

Lions like you spend many hours each year working on behalf of our clients. We are humbled by the effort you put into serving others and grateful for your loyal support. We pledge to be the very best stewards of your gift as we continue to provide services to those who need them, at no charge.

Over 14,000 Leader Dogs have been provided since we were founded by three Michigan Lions in 1939, and over 1,500 people are actively using Leader Dogs throughout the world today. This means that there are people in your own community who have received a Leader Dog or other services from Leader Dogs for the Blind, or who will need our services in the future. "Global service; local project": When you support Leader Dogs for the Blind you help people right in your own community. It's great to know that we - and they - can count on you.

Sincerely,

Lion Melissa Weisse  
Chief Philanthropy Officer
