

PENRICKTON CENTER FOR BLIND CHILDREN

November 11, 2011

Canton Lions Club

Canton, MI 48187

Dear Secretary Lopez:

Thank you again for making a difference this year by participating in Penrickton Center for Blind Children's 2011 Kick- Off Dinner Program Book. With your help the Advertising Book had its most successful year which will directly benefit the many children and families we serve!

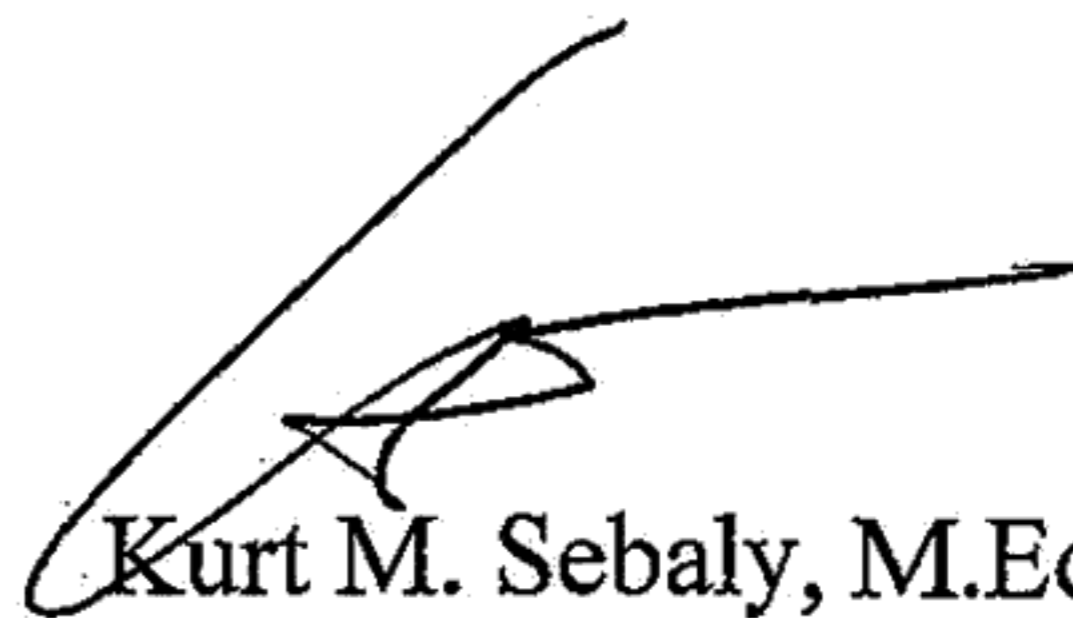

As you know, Penrickton Center is the only non-profit meeting the specific needs of blind, multi-disabled children. Since there is no fee charged and we receive no State, Federal or United Way funds, your commitment ensures we will continue to "Open our Doors " to children for years to come.

We encourage you to stop by and visit to see first- hand how your support has made a difference in the lives of our children.

Sincerely,

Debbie Jackson, Volunteer
