Dear Fellow Lions:

I want to take this moment to say thank you very much for your generosity in supporting Penrickton Center for Blind Children. I appreciate your thoughtful adoption of Royce through the Annual Lions Adopt-A-Child program.

Penrickton Center is able to serve our special children only because of caring people like you. As a totally private funded, non-profit charity, Penrickton Center does not rely on state, federal or United Way support. Nor do we ever charge a family for our vital services.

At Penrickton Center, our children learn about the world around them --- reaching, touching and exploring first hand beyond their limitations. We help them learn to overcome their constraints. Make no mistake our children make remarkable progress in their communication, self-care and motor skills.

Thanks to your very generous gift, you have made the world a better place for the special children in our care. Again, thank you so much!

Yours in Lionism,

  
Kurt M. Sebaly, M.Ed.  
Executive Director

*P.S. I hope  
you have a very Merry Christmas!*
